REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

M.B. Kennedy Middle School is a middle school with approximately 960 students in grades 6-8 in Aiken, SC. Our current purpose statement, “M.B. Kennedy Middle School educates all students to achieve at their highest levels,” describes our school’s culture of academic achievement. Again this year, our students performed at high levels in multiple academic areas. M.B. Kennedy Middle School students scored above-average gains in MAP and PASS testing. We had thirty-four eighth grade students qualify to be South Carolina Junior Scholars based on PSAT scores. Sixty-three seventh grade students were invited to take the SAT or ACT. Of those students, one was recognized at the Grand Level and twelve qualified at the State Level for Duke TIP. Approximately twenty-five percent of our eighth grade students received the Presidential Academic Award. In addition, M.B. Kennedy Middle School continues our reputation as a school that stresses reading and literacy. Students accumulated 59,298 AR points which only accounts for a percentage of the number of books our students have read. Many classroom teachers have extensive classroom libraries, and our school media center, with over 12,000 holdings, circulated 29,000 books this year. One hundred percent of our students passed the Algebra 1 exam. Math Counts team scored first place at the district level and eleventh at the state level. We also offered after-school tutoring for approximately 150 students in math and language arts during a six-week course. During the school day, students who did not meet the PASS standard in math or language arts were enrolled in semester-long remediation classes. Our teachers actively search and receive grants including Donors Choose, SRS, and PEP. In addition to our strong academic program, we provide numerous enrichment activities such as band, art, chorus, Kennedy on Stage, Science Club, Beta Club, Student Council, Gardening, and athletic teams. Annually in February, we offered thirty-eight mini courses taught by professionals and community volunteers that expose students to a wide range of career and leisure activities. Our football team won the Aiken County championship. Our girls’ volleyball team placed second in Aiken County. One of our students placed third in the district-wide Spelling Bee. We fielded three teams in the Future City competition. M.B. Kennedy Middle School Beta Club has 339 members and was chosen as a National Beta School of Distinction. Members of our band have won superior ratings at Solo and Ensemble as well as earned chairs in All State, Region, and All-County bands. To socially enrich our students, we are developing a new positive behavior incentive program as well as a mentoring program to help our students become mature individuals. Our school’s student council, which consists of a president for each grade level, was responsible for delivering both morning and afternoon announcements to the student body each day. M.B. Kennedy Middle School is a Project Unify school, a division of Special Olympics. The M.B. Kennedy Middle School Buddy Club was established with a grant from Project Unify. It is an organization that was developed and designed to promote inclusion by uniting students in the general education setting with disabled students to engage, support and interact in school and community events. M.B. Kennedy Middle School is fortunate to have significant parental involvement and a productive PTO. As we conclude another year, our new vision statement, “Students will apply the acquired knowledge and skills to become lifelong learners and productive citizens,” will guide us to continued excellence.
